Huayi HYE69Y Hermetic Compressor — 1/4 HP (R134a)

Model: HYE69Y

Brand: Huayi Compressor

Category: Compressors

Huayi HYE69Y 1/4 HP hermetic reciprocating compressor for R134a systems.

DESCRIPTION

The Huayi HYE69Y is a 1/4 HP hermetic reciprocating compressor for R134a refrigerant systems. The unit and its retail box both carry the HYE69Y label with CE marking, and Huayi's packaging lists it as energy-efficient with a wide voltage range, low noise and vibration, high overload capacity, and suitability for high ambient conditions. It has the standard black hermetic dome housing with orange-sleeved copper process stubs and a side terminal box, and comes with its mounting feet fitted for direct installation.
