Donger QD90N hermetic compressor, 1/4 HP (R134a)

`Model: QD90N`

Brand: Donger

Category: Compressors

1/4 HP Donger QD90N hermetic compressor for R134a refrigeration systems, made for the Iraqi market.

DESCRIPTION

The Donger QD90N is a 1/4 HP hermetic reciprocating compressor charged for R134a refrigerant. Like the other models in Donger's Iraq-specific range, its box highlights high efficiency, low power consumption, and locally stocked accessories. It ships in Donger's retail box, imported especially for Al-Nuboogh Co., General Trading.
