Copeland Scroll compressor

Brand: Copeland

Category: Compressors

Copeland Scroll compressor with a rounded dome housing on a rectangular mounting plate.

DESCRIPTION

This is a Copeland Scroll compressor, identifiable by the blue "Copeland Scroll" branding on its data label. Compared to other scroll units in this range, its housing has a more rounded, bulbous dome top and sits on a plain rectangular black mounting plate rather than a star-shaped base. It has a side-mounted electrical terminal box and copper suction and discharge line stubs.
