Manifold gauge set with hoses (analog, blue case)

Brand: DSZH

Category: Spare Parts

Analog manifold gauge set with color-coded hoses in a blue carrying case, for AC and refrigeration servicing.

DESCRIPTION

This DSZH manifold gauge set pairs two analog pressure gauges, a blue-dial low-side gauge and a red-dial high-side gauge, on a single manifold body with hand valves, connected to a set of blue, yellow, and red service hoses. The set is housed in a molded blue carrying case with metal latches and a carry handle for AC and refrigeration servicing.
