Mini tube cutter, model NO.174-F

`Model: NO.174-F`

Brand: DSZH

Category: Spare Parts

A compact black mini tube cutter (model NO.174-F, 1/8"-1-1/8" O.D) for copper tubing.

DESCRIPTION

The DSZH NO.174-F is a mini tube cutter with a black cast body engraved with its model number and a printed capacity of 1/8" to 1-1/8" O.D. It has a rotating cutting wheel, a pair of roller guides, and a knurled black feed knob for adjusting cut depth. Its capacity range extends beyond the WK-128 mini cutter in the same product line, suiting it to slightly larger copper tubing sizes.
