Floor-standing (tower) split air conditioner, indoor unit

Brand: Mahboob

Category: Air Conditions

Floor-standing (tower) split A/C indoor unit, white cabinet, top louvered vent, bronze control panel.

DESCRIPTION

This is a floor-standing (tower-type) split air conditioner indoor unit finished in white, with a top-mounted horizontal louvered vent grille and a bronze-toned control panel band housing an LCD display and mode/temperature buttons. It stands as a vertical cabinet unit intended for floor installation, pairing with a matching outdoor condensing unit.
