Wall-mounted split air conditioner, indoor unit

Brand: Mahboob

Category: Air Conditions

White Mahboob wall-mounted split AC indoor unit with a mint-green trim strip, matching the range's standard design.

DESCRIPTION

This Mahboob wall-mounted split air conditioner indoor unit is the same mint-green-trim design used elsewhere in the range: a plain white front panel with a thin mint-green trim strip along the lower edge, the Mahboob logo centered on the face, and a horizontal discharge louvre beneath the trim. As the indoor cabinet of a split system, it is installed together with a matching outdoor condensing unit.
