Rotary compressor, inverter type -- Mitsubishi Electric SNB172FE-series

`Model: SNB172FE`

Brand: Mitsubishi

Category: Compressors

Mitsubishi Electric SNB172FE-series inverter-type rotary compressor, black hermetic shell with copper pipe stubs.

DESCRIPTION

This is a genuine Mitsubishi Electric rotary compressor from the SNB172FE series, confirmed by the manufacturer's label on the unit, which is also marked INVERTER type. The compressor has a black hermetic shell with copper suction and discharge pipe stubs at the top, a hazard warning label for electric shock, burns, and explosion risk, and an oval mounting base with rubber-mounted feet.
