Motorcycle Mirror Set (Pair)

Category: Motorcycle

Pair of black motorcycle mirrors with mixed M8/M10 mounting adapter bolts included.

DESCRIPTION

This is a pair of black motorcycle mirrors of different housing shapes, one angular and pointed and one rounded diamond-shaped, each on a bent mounting stem. The set includes a row of mounting adapter bolts in both M8 and M10 thread sizes, as labeled in the product photo, to fit different handlebar or fairing mounting points.
