R-22 Refrigerant Gas (HCFC-22)

`Model: R-22`

Brand: freeon

Category: Gas

A 6 kg disposable cylinder of Freeon-brand R-22 (HCFC-22) refrigerant gas.

DESCRIPTION

This is R-22 refrigerant gas (chlorodifluoromethane, HCFC-22) packaged under the Freeon brand in a teal disposable cylinder, as printed on the label. The label states a cylinder capacity of 13.7 liters, a maximum pressure rating of 280 PSIG, a net refrigerant weight of 6 kg (13.2 lb), and lists UN 1018 / CAS 75-45-6 for shipping and chemical identification. It is supplied for charging and topping up R-22 refrigeration and air-conditioning systems.
