SnowMan R-134a Refrigerant (13.6kg Cylinder)

`Model: R-134a`

Category: Gas

SnowMan R-134a refrigerant, 13.6kg (30lb) disposable cylinder.

DESCRIPTION

This is an R-134a refrigerant cylinder from SnowMan Refrigerants, holding a net weight of 13.6kg (30lbs) as printed on the carton. The label identifies the contents as 1,1,1,2-tetrafluoroethane (CAS# 811-97-2), UN 3159, safety group A1, with a storage warning not to exceed 120°F. It is packaged in a teal-painted disposable cylinder with a matching branded carton, for servicing R-134a refrigeration and air conditioning systems.
